

EXPERTS IN DRIED FRUIT & NUTS TRANSPORTATION

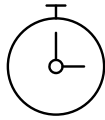

MSC is present in 155 countries across five continents, with local offices and customer service representatives ready to assist you in all the key areas where Dried Fruit & Nuts (DFN) are produced. With extensive coverage, intermodal solutions, and a solid expertise in transporting dry cargo, we are the number one shipping line in United States when it comes to DFN. Our highly experienced teams take huge pride in supporting every step of the process, from guiding customers through appropriate and country-specific procedures, to carefully offering advice on shipment preparation, with the aim of providing custom-made solutions and the highest level of care.
