OF TEA EXPERTS

Tea is the second most popular beverage in the world after water and is estimated that up to 20 billion 6 oz. cups of tea are taken daily globally. The region exports mostly Black tea with Green tea taking the second position and lastly Oolong tea. Kenya is the 3rd largest tea exporter globally and the leading exporter of Black tea.

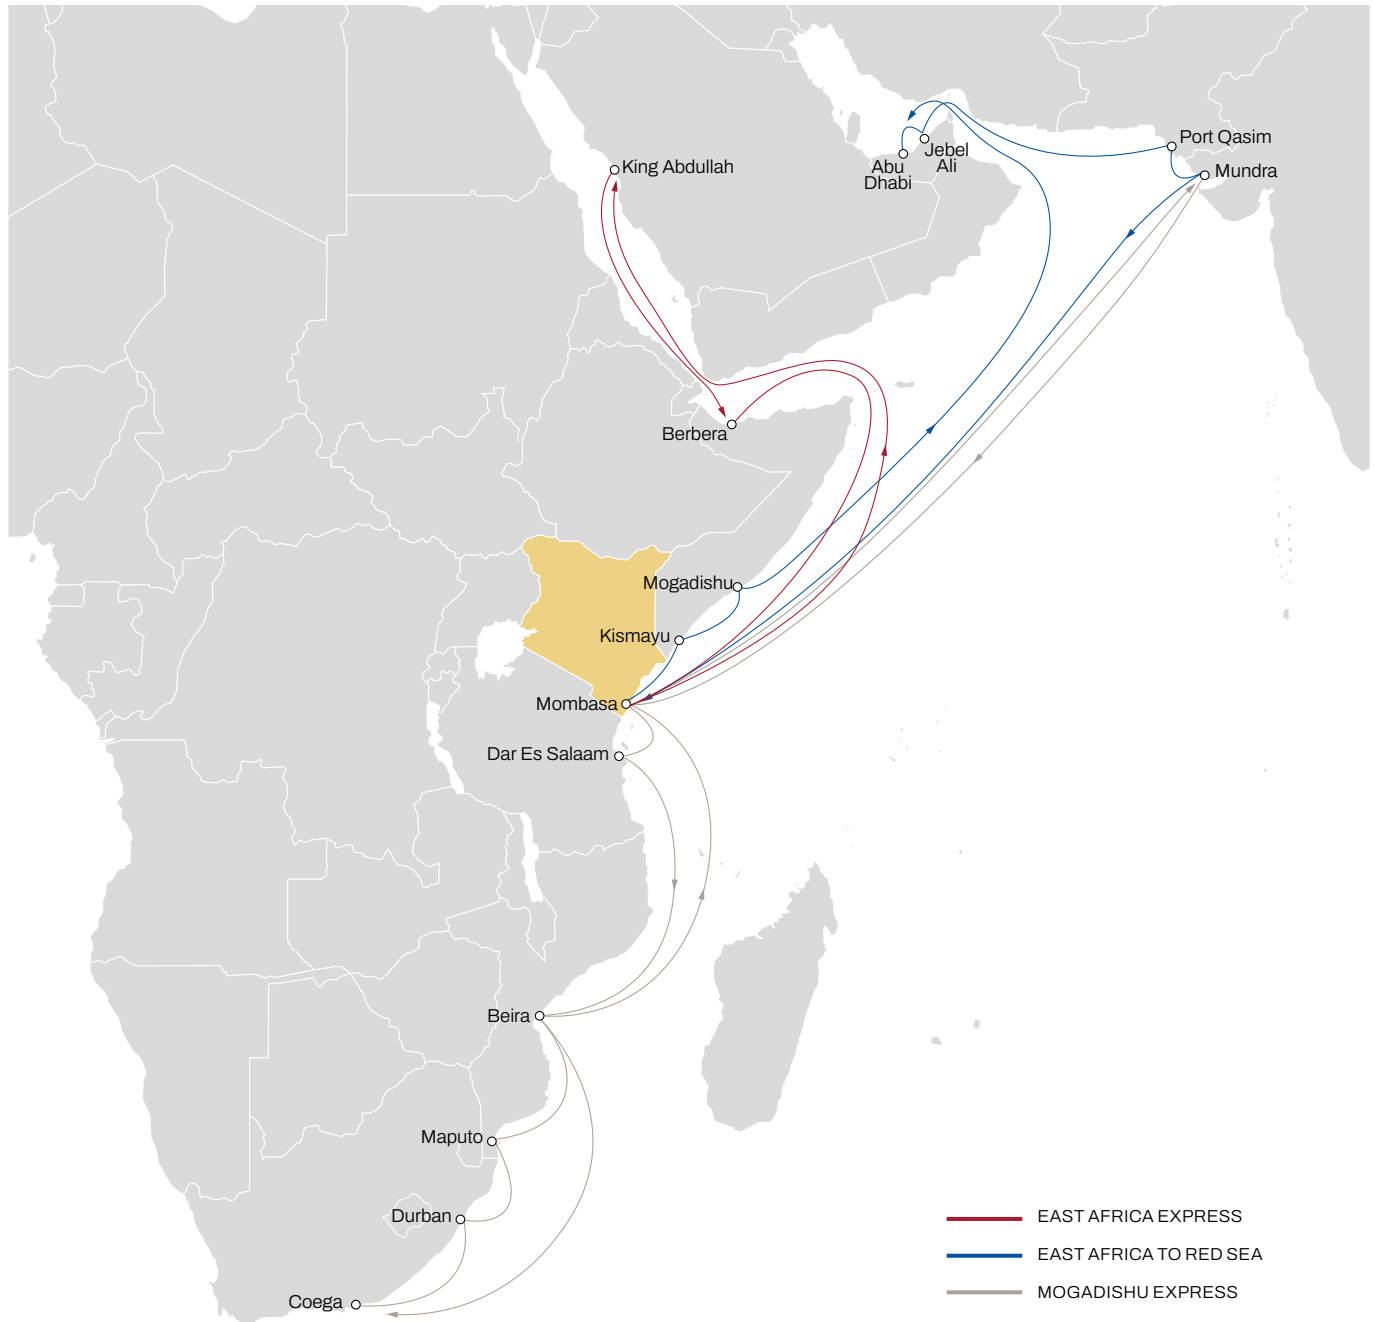

MSC is present in 155 countries, with offices in Kenya, Uganda and Rwanda. With an extensive coverage, intermodal solutions, and a solid expertise in transporting tea, MSC offers fast and reliable services that connect exporters to the main trade centres of the world, including key import countries of Pakistan, Egypt, United Kingdom, United Arab Emirates and USA. MSC coverage to destinations in Europe, Middle East, Africa, India and Asia is unmatched.

Our highly experienced teams take huge pride in supporting every step of the export process, from guiding customers through appropriate and country-specific procedures to carefully offering advice on shipment preparation. Each tea journey receives the highest level of care and attention. We provide our customers with the best, custom-made solutions and ensure this sensitive commodity arrives at destination in the very best possible conditions.
