Note:

- *The above rate is exclusive of Tax and subject to VAT 5.26%*
- *(*) The consignee on the BL will be the party listed on the container deposit form. The finalization deadline for the container deposit is 14 days from the date the last empty container is returned to the depot. When the last empty containers are returned, please use the Refund function in the MSC EDO Portal to send a container deposit refund request for one or multiple BLs. After the respective costs are finalized, MSC will transfer the offset amount to your registered bank account. You are responsible for paying any costs that exceed the container deposit. If the consignee wants to finalize the container deposit after offsetting related expenses for a third party, they need to provide information about the third party when using the Refund function in the EDO portal.*
