

ANNOUNCEMENT

New process for invoice of Storage for Import and Export at Haiphong Ports.

Date 15th June 2024,

Dear Valued Customers,

MSC Vietnam will be issuing invoice for storage charges for cargoes shipped from/to **Haiphong, Vietnam**. This process will be effective on 15th July 2024, vessel arrival date (ETA). Please be informed that the current storage rates and free storage days remain unchanged and align with current practice:

TERMINAL	Charges		Cont.20 (before tax)	Cont. 40/45 (before tax)	Remarks	
Hai Phong International Container Terminal - HICT	Import Storage	Free days	3 days	3 days	Storage days are calculated from berthing date of vessel to laden gate out. Both days are counted. Dangerous or OGG containers are same free time with dry cargo, but the tariffs are 1.5 times of dry container.	
		From 4 th to 7 th	36,000	54,000		
		From 8 th to 14 th	45,000	69,000		
		Over 15 th	69,000	105,000		
	Export storage	Free days	4 days	4 days	Storage days are calculated from laden gate-in to ETA provided by MSC. Both days are counted. Dangerous or OGG containers are less than 1 days with dry cargo, and the tariff are 1.5 times of dry container.	
		From 5 th to 7 th	36,000	54,000		
		From 8 th to 14 th	45,000	69,000		
		Over 15 th	69,000	105,000		
	Container deposit for import for dry container; additional for reefer container.		200,000	300,000	This is the container deposit for storage at HICT, MSC Vietnam will refund via MSC E-port refund process when all charges are finalized (*). Dangerous or OGG containers are 1.5 times dry containers.
