

# MSC IN THE CZECH REPUBLIC AND SLOVAKIA

GLOBAL SHIPPING, LOCAL EXPERTISE

# A RELIABLE PARTNER FOR YOUR SHIPPING & LOGISTICS

**msc.com**

MSC has been present in the Czech Republic since 1995 and in Slovakia since 2000. Today, our two offices in Prague and Bratislava employ more than 200 people and handle more than 160,000 TEUs annually. Thanks to our skilled intermodal, planning, customer service, sales, demurrage and documentation teams, we can offer customers local support throughout the entire shipping process. Over the past three decades, we have built up the largest inland network of any ocean carrier in both countries, including our own rail services, trucks, terminals and depots, strengthened by strategic intermodal partnerships. This has unlocked seamless end-to-end solutions for global trade, with direct connections to Northern European and Adriatic ports.

# OUR PROUD HERITAGE AND NETWORK

## DEDICATED LOCAL TEAMS

Thanks to our expertise in every aspect of shipping and logistics, we can deliver door-to-door solutions with local support at every step. MSC has developed a strong inland network across the Czech Republic and Slovakia, including trucking, rail services and strategic depots.

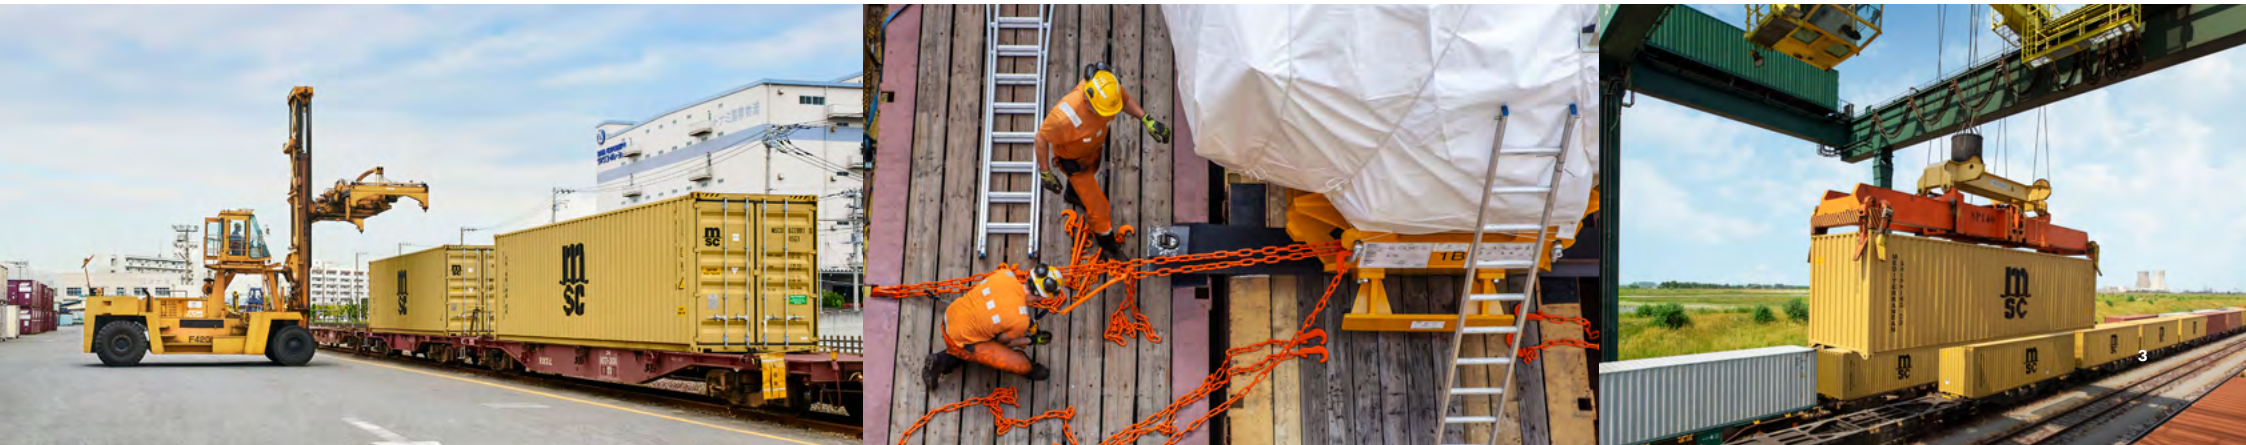

## WHY MSC?

Partnering with MSC gives you access to six strategic ports that are connected to the Czech Republic and Slovakia by rail, giving you access to global ports and trade. As the world's largest container shipping line and a key player in global maritime transportation, MSC is here to support you with reliable and efficient solutions and outstanding customer service. The company's continuous expansion and innovation reflect our dedication to meeting the evolving needs of the global marketplace.

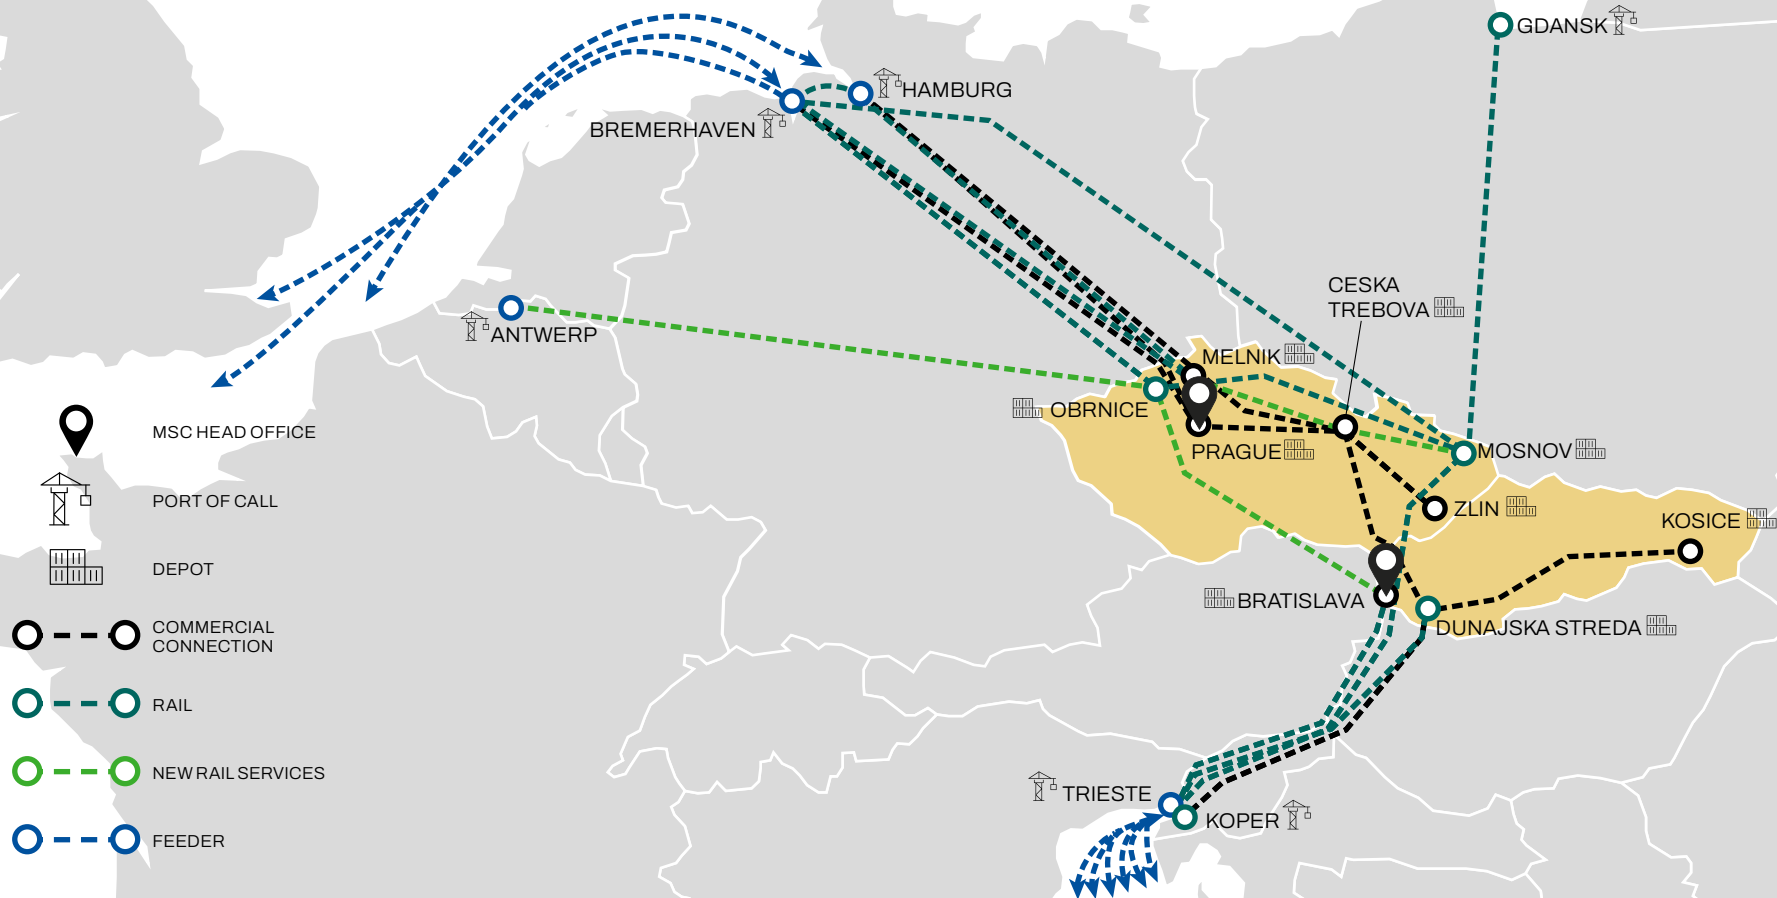

## SUSTAINABLE APPROACH

We are equally passionate about our heritage as we are about our future, which is why we promote a sustainable business model to ensure that we continue to deliver our market-leading services for our customers while protecting our planet, oceans and future.
