

**UK INTERMODAL SOLUTIONS
YOUR DOOR-TO-DOOR TRANSPORTATION PARTNER**

THE JOURNEY IS ONLY JUST BEGINNING

Your cargo's journey doesn't stop at the port, and neither does MSC. With the largest UK intermodal fleet of any shipping line, we seamlessly connect sea, road and rail to deliver a smooth, cost-effective and reliable door-to-door service.

Our extensive inland network offers the flexibility to keep your supply chain moving while helping to reduce delays, costs and environmental impact.

Backed by a team of dedicated local experts, we make inland transportation simple, efficient and tailored to your needs – because getting your cargo where it needs to be is what we do best.

MARKET LEADING CONNECTIVITY

UNRIVALLED UK INTERMODAL NETWORK

Offering the largest intermodal network of any shipping line, MSC provides extensive national connectivity, linking 10 ports and 11 rail terminals to keep your cargo moving efficiently across road and rail.

MOVING YOUR CARGO CLOSER

Our extensive rail network reduces road miles by over 32 million annually, offering a more efficient and sustainable way to move your cargo closer to its final destination.

RELIABLE NATIONWIDE CAPACITY

With a strong, dependable network across the UK, we ensure consistent support and flexibility – keeping your cargo moving smoothly, even during peak seasons.

DRIVING A GREENER FUTURE, TOGETHER

When moving your cargo inland, utilising greener fuels can significantly reduce carbon emissions

eHGV

MSC can offer electric HGVs as part of our intermodal network.

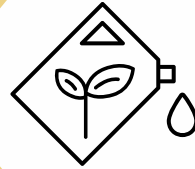

HVO FUEL

Up to 90% GHG reduction

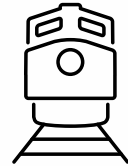

No vehicle modification needed

100% biodegradable & responsibly sourced

UK RAIL NETWORK

Over 32 million road miles saved annually through extensive nationwide rail links.

EXPERT KNOWLEDGE

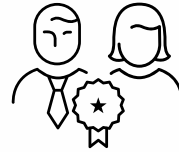

IN-HOUSE PARTNERSHIPS

Excellent relationships with top intermodal partners based in-house at our UK headquarters in Ipswich, create a direct communication channel for prompt responses to evolving market conditions.
