

MSC IN THE UK

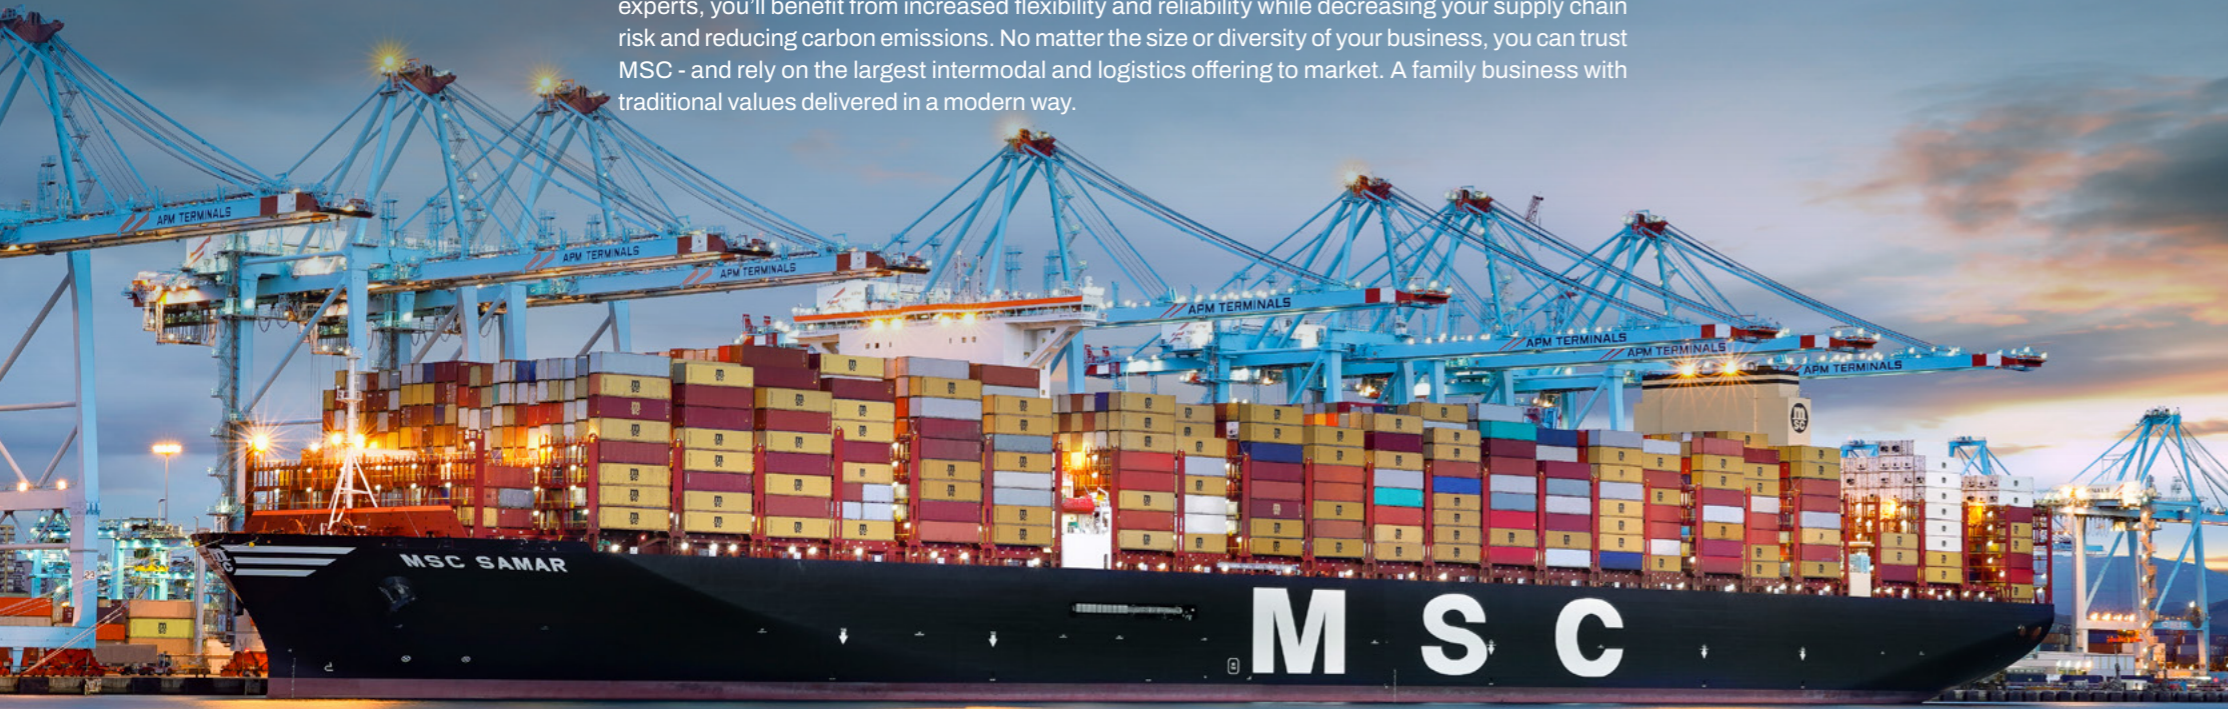

GLOBAL SHIPPING, LOCAL EXPERTISE

WORLD LEADING SHIPPING AND LOGISTICS COMPANY

[msc.com](https://www.msc.com)

Operating the largest containerised cargo network in the UK, working with MSC you're connecting your business with the world's leading independent container shipping line. Accessing our market-leading UK port range and intermodal solutions, supported by our award-winning local team of experts, you'll benefit from increased flexibility and reliability while decreasing your supply chain risk and reducing carbon emissions. No matter the size or diversity of your business, you can trust MSC - and rely on the largest intermodal and logistics offering to market. A family business with traditional values delivered in a modern way.

OUR PROUD UK HERITAGE AND NETWORK

UK'S LARGEST LOGISTICS PROVIDER

Our dedicated UK team and loyal customers have been pillars of our proud UK heritage, dating back over 40 years. Starting out in 1977 as a five-person operation above a shoe shop in Hull, today we are the UK's largest container shipping, intermodal, and logistics provider.

DEDICATED UK TEAM

What makes MSC stand out in our industry is our team of over 850+ people. Operating from regional offices in Ipswich, London and Glasgow, supported by our national team across the UK, we're committed to delivering customer excellence and finding the best solution for your cargo.

WHY MSC?

By choosing MSC, you gain access to 11 UK ports. This is complemented by an extensive European feeder network that integrates seamlessly with our market-leading landside network of dedicated road and rail solutions.

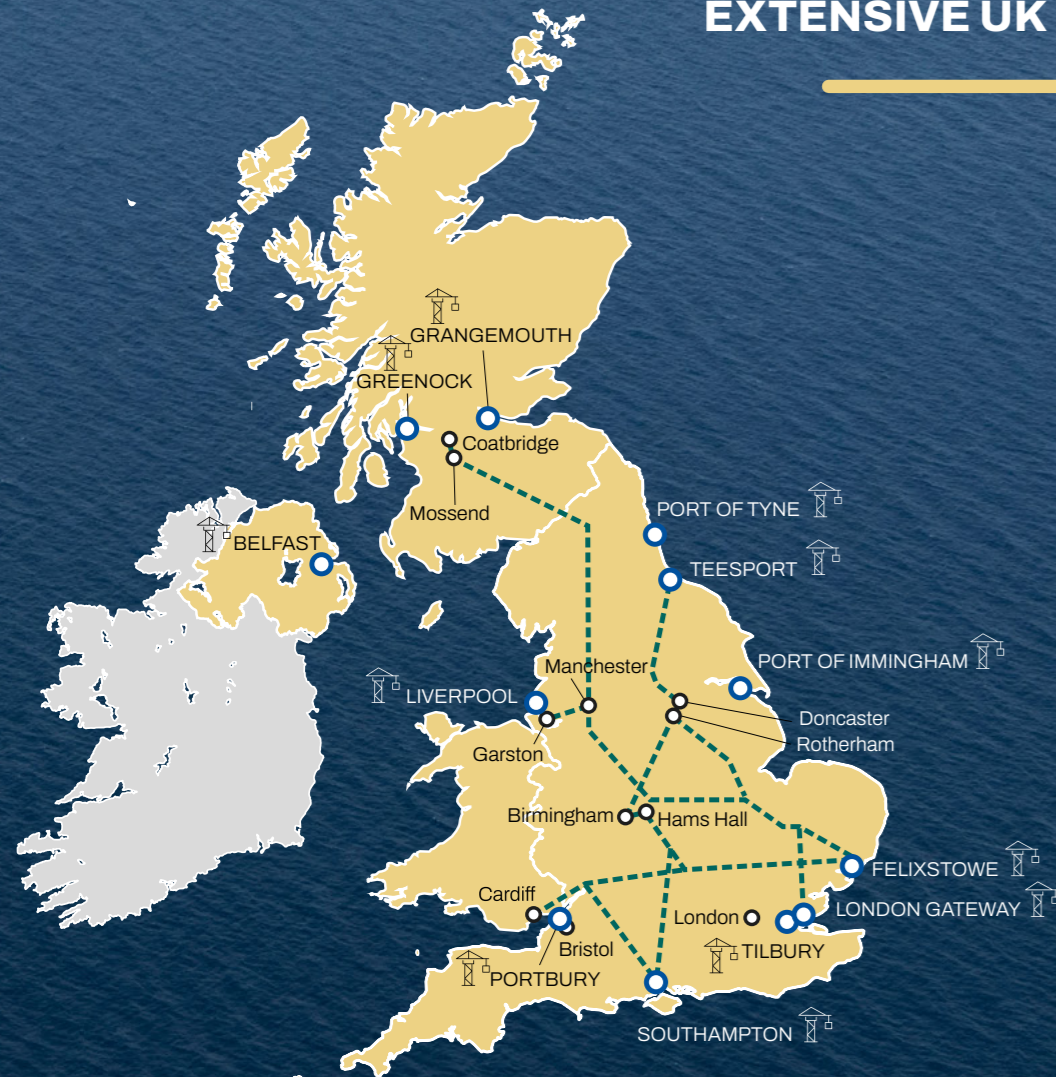

A SUSTAINABLE APPROACH

We have a responsibility that goes beyond simply transporting cargo. We are committed to protecting our blue planet for future generations. As a global company, we seek to contribute to building resilient and inclusive supply chains and believe that operating sustainably benefits our colleagues, our crew, our customers and the communities in which we operate.
