### 3. QUOTATIONS

- **MSC COTE D'IVOIRE acts as agent for and on behalf of MSC MEDITERRANEAN SHIPPING COMPANY S.A. (the "Carrier", "MSC") only. All quotations made by MSC COTE D'IVOIRE are on behalf of the Carrier.**
- Quotations made by MSC COTE D'IVOIRE are not binding until MSC COTE D'IVOIRE's final booking confirmation has been transmitted in writing to the Merchant. Any quotation will become null and void unless the Merchant has accepted it in writing within 30 days after receipt.
- Quoted times and dates for empty positioning and loading are always subject to equipment availability and space. Advertised transit times, sailing and arrival dates are estimated times only; and such schedules may be advanced, delayed or cancelled without notice. In no event, shall the carrier be liable for consequential damages or for any delay in scheduled departures or arrivals of any vessel or other conveyances used to transport the goods by sea or otherwise.
- All charges are "VATOS" (Valid at Time of Shipment). Unforeseeable and additional expenses (such as statutory increase, war risk, congestion, etc.) before, during and after the sea-carriage may at any time be charged by the Carrier to the Merchant.
- Alterations caused by the Merchant, for instance release of cargo to alternative third parties, issuance of switch bills of lading etc., are not included in MSC COTE D'IVOIRE quotations.
- Unless stated otherwise and expressly confirmed in writing, each quotation always relates to:
  - Harmless goods, being made clear that IMDG cargoes are always and strictly subject to the Carrier and Master's final approval at time of loading

- The Carrier shall not be responsible for any fault of his servants or the ship's crew if damage has occurred as a result of fire or explosion on board, or as a result of any act, neglect or default in the navigation or in the management of the ship other than predominantly carried out in the interest of the cargo.
- The same shall apply in relation to any act, neglect or default of a pilot or any other independent person involved in the navigation or management of the ship.

## **5. EXPORT – AND CROSS-TRADE BOOKINGS**

- The MSC COTE D'IVOIRE Booking Confirmation formalizes the transport contract concluded between the Merchant and MSC, as a consequence of which both Booking Party and Shipper become jointly and severally contractual partners of MSC MEDITERRANEAN SHIPPING COMPANY S.A.
- The Booking Party and Shipper are responsible for and have to recheck all information provided concerning description of goods, hazardous cargoes, reefer and out of gauge details as well as for the correctness of weights indicated. They must inform MSC or MSC COTE D'IVOIRE immediately in writing in case of any discrepancies or missing details. Any discrepancies or wrong information at the time of receipt of the goods, especially in respect of the cargo's weight, may lead to substantial risk and costs for account of the Merchant and might result in short-shipments. In particular, discrepancies may lead to Status Change costs as per quay / terminal tariff.
- The Booking Party and Shipper have to check and ensure that the maximum payload complies with all country-specific legal regulations or requirements at origin, in the transit countries and at destination. They are expressly reminded that overstuffing of containers is not permitted by law and the Carrier and may result in severe injuries and casualties for which the Merchant will be held fully liable.
- For security reasons, all containers for all destinations must be sealed by the Booking Party and Shipper or their representatives with High Security Bolt Seal or equivalent directly after stuffing. Unsealed and incorrectly sealed containers will be resealed upon arrival at the terminal at the Merchant's costs and responsibility and may be short-shipped. Any resulting costs are for account of the Merchant.
- Loading and stowage of goods is carried out under sole instructions of the Ship's Command. All goods are stowed "option deck" at Merchant's risk. Requests for "under deck" stowage are subject to written approval and confirmation by MSC or MSC COTE D'IVOIRE.
- Payments of Ocean Freight have to be effected in Euro only. Payments made in USD will only be accepted upon request and our written approval, and have to be paid within 48 hours after vessel departure. Any Bank service charges/ transaction costs are for account of the payer.

- Unless expressly agreed otherwise, all invoices are payable immediately and without deduction or rights of retention or of set-off whatsoever.
- B/L or Shipping Instructions must be submitted latest at closing time. For shipments to countries/areas requiring an AMS-filing or comparable procedures, special deadlines shall apply. The Booking Party and Shipper are responsible to enquire the specific deadline applicable to their shipment.
- The Merchant declares that all used wooden packing materials comply with ISPM 15 regulations.

Transfer and dispatch of documents (by registered mail or courier) will only be effected upon receipt of the Merchant's order confirmation and at his sole risk and expense.
- In case of Merchant's Haulage, the Booking Party and Shipper are responsible for inspecting the empty container for its suitability to carry the specific shipment booked at the time of empty pick up from the depot/terminal either directly or via their truckers. Any later refusal of container will cause additional costs for account of the Merchant and neither MSC nor MSC COTE D'IVOIRE shall be held liable for the costs of changing/replacing a container accepted during empty positioning unless the vice affecting the container was not detectable during a summary check; in which case the costs of the container changing shall be equally shared. Notwithstanding the above, a light-test is compulsory prior to each empty container's acceptance and no liability shall be borne by the Carrier or MSC COTE D'IVOIRE for costs of exchanging a container found with holes or cracks at a later stage.
- Booking Party and Shipper are responsible for ensuring that all prior IMO (hazardous goods) placards and labels have been removed from the container before pick-up or latest during stuffing of its non-hazardous cargo. Costs resulting from neglect will be for the account of the Merchant.
- The use of dry-van containers in lieu of reefer or temperature-controlled containers is left to the sole Merchant's appreciation and decision and the Carrier shall have no liability or responsibility whatsoever for thermal or condensation loss or damage to the goods sustained by reason of natural variations in atmospheric temperatures whether the cargo was carried on or under deck.
- Container's full redelivery to the port prior to loading is only possible by stating the provided delivery reference to the Terminal Interchange and the Merchant and/or its trucker are jointly responsible to ensure

proper communication during Gate-In. For container delivery to the ports Hamburg and Bremerhaven it is mandatory to state the correct vessel name.

- The Booking Party, the Shipper and their trucker are jointly responsible to check that the empty container picked up at the depot is used for the booking confirmed by MSC COTE D'IVOIRE for this specific container. Neither MSC nor MSC COTE D'IVOIRE shall be responsible for any costs linked to the repatriation or additional on-carriage costs of wrongly swapped cargoes carried within correct containers due to a mistake during the empty pick-up.
- High Value Commodity Mis-Declaration Fee - Any cargo with a commercial value exceeding USD 250,000 must be declared to MSC or its agent at the time of booking. Failure by the Merchant to inform MSC will result in the application of a High Value Commodity Mis-Declaration Fee of 25.000 USD, being expressly agreed that such information to MSC shall not be considered as a declaration of value and the documentation so issued will not be deemed ad valorem unless this has been formally agreed by MSC and the corresponding surcharge paid by the Merchant.
