13. SPECIAL IMPORT CUSTOMS PROCESS

The Merchant shall have full knowledge of the Costa Rican customs regulations for import cargoes. Some important aspects are:

- 13.1. After 15 working days if cargo has not been cleared, it will be declared abandoned by Customs. Mediterranean Shipping Company Costa Rica S.R.L will move the container according to the Customs' instructions to a bonded warehouse and will not be held liable for delay and additional costs generated due to a disrespect of merchant's obligations. This procedure must be done with or without origin release.
- 13.2. All import cargo to Costa Rica must be designated to a customs regime (Merchant's choice) within 15 working days after cargo arrival, otherwise cargo is declared abandoned by our local authorities without any recovery option.
- 13.3. If Merchant does not have the sea carriage documents for the release at the arrival, the only option to avoid cargo being declared abandoned is by moving it to a bonded warehouse under customs custody. Cargo cannot be there more than a year, otherwise it will be submitted to an auction by the Costa Rican's customs.
- 13.4. Once Merchant transmits the Customs declaration to move the cargo to a warehouse, the only way to pick up the cargo is with the Original Bill of Lading. This procedure can only be done by the Merchant.
- 13.5. Mediterranean Shipping Company Costa Rica S.R.L can change the consignment party only if the Customs declaration has not been transmitted, if this declaration has already been done to customs, it is impossible for Mediterranean Shipping Company Costa Rica S.R.L to change the Bill of Lading.
- 13.6. In case cargo should be returned, it must be done by the Merchant or by a third party to whom the Customs' declaration and the Bill of Lading have been endorsed. This third party will be responsible for customs process and costs involved.

14. CARGO WEIGHT DECLARATION AND VGM COMPLIANCE, SUBMISSION'S DEADLINE.

All VGM must be submitted electronically or transmitted to MSC prior loading, failing which containers will not be planned on the scheduled vessel. All costs, consequences shall be on Shipper's account for any delay in submitting VGM, non-submission of VGM and/or for any noncompliance to VGM statutory guidelines.

MSC does not permit its Containers to be used in any manner whatsoever to lift, load, move or carry cargoes that:

- a. are wrongly declared, or
- b. weigh in excess of the VGM or commercial / manifest weight declared, or
- c. weigh in excess of the payload of the equipment.

Should MSC be made aware, prior or during carriage, that its Containers have been used in breach of any of the above prohibitions, the container(s) concerned may be refused for loading, kept onboard for return to origin, discharged at the next convenient port and/or corrective measures such as, but not limited to, restuffing into other containers may be taken at MSC' sole discretion and at the Merchant's sole risks and expenses.

Merchant shall be liable towards MSC and its agents for all losses, claims, fines, demands, suits and actions of any kind whatsoever including in respect of death and personal injury, legal and court expenses, whether directly or indirectly resulting from or connected to such unauthorized use of the MSC's Containers.

Any extra work generated due to a breach of any of the above prohibitions shall give rise to an ad hoc surcharge and MSC reserves its rights to exercise its lien over the infringing cargo and/or any other cargo carried on behalf of the Merchant until the costs due to MSC, including surcharge, have been fully paid.

15. LEGAL ADMINISTRATION FEE

MSC shall charge the Merchant a Legal Administration Fee (LAF) covering the extra coordination / organization work and subsequent follow-up necessitated by any situation of damage or risk of damage to the cargo, container, crew and/or vessel caused or generated by the Merchant's negligence, fault or misconduct. This fee will be charged in addition to the costs actually as the result of the situation itself and its remedy. Its amounts will be of:

FOR COSTS UP TO 500 USD: 40 USD PER CONTAINER

FOR COSTS BETWEEN 500 AND 1000 USD: 80 USD PER CONTAINER
