- 2.2 These AGENCY TERMS AND CONDITIONS shall be deemed to form part of all contracts between the Merchant and MSC via its local agent MSC FINLAND. Orders and instructions of the Merchant shall be considered as his acknowledgement and acceptance of these AGENCY TERMS AND CONDITIONS.
- 2.3 General Conditions of the Merchant will not be applicable and shall in any way be superseded by these AGENCY TERMS AND CONDITIONS and the terms and conditions of the MSC Bill of Lading and/or Sea Waybill. Deviations from these AGENCY TERMS AND CONDITIONS and in particular general conditions of the Merchant shall not apply unless this has been explicitly agreed in writing.

# 3. QUOTATIONS

- 3.1 MSC FINLAND OY acts as agent for and on behalf of MSC MEDITERRANEAN SHIPPING COMPANY S.A. (the "Carrier", "MSC") only. All quotations made by MSC FINLAND OY are on behalf of the Carrier.
- 3.2 Quotations made by MSC FINLAND OY are not binding until MSC FINLAND OY'S final booking confirmation has been transmitted in writing to the Merchant. Any quotation will become null and void unless the Merchant has accepted it in writing within reasonable time after receipt (maximum 14 days unless otherwise agreed with MSC FINLAND OY).
- 3.3 Quoted times and dates for empty positioning and loading are always subject to equipment availability and space. Advertised transit times, sailing and arrival dates are estimated times only; and such schedules may be advanced, delayed or cancelled without notice. In no event shall the carrier be liable for consequential damages or for any delay in scheduled departures or arrivals of any vessel or other conveyances used to transport the goods by sea or otherwise.
- 3.4 All charges are "VATOS" (Valid at Time of Shipment). Unforeseeable and additional expenses (such as statutory increase, war risk, congestion, etc.) before, during and after the sea-carriage may at any time be charged by the Carrier to the Merchant.

For high-value-cargo-containers (exceeding USD 200.00,00 - two hundred thousand US dollar cargo value) the Merchant has to submit a written warning notice upon booking and, unless included in the freight, to pay an additional HVP (high-value-premium).

## **4. CARRIER'S RESPONSIBILITY IN FINNISH JURISDICTION**

- 4.1 The Merchant acknowledges and agrees that pursuant to cl 10.3 of the Carrier's Terms and Conditions the transport contract is subject to English law and the exclusive jurisdiction of the High Court in London, save as otherwise stipulated in cl 10.3. Should nevertheless ever Finnish law be applied by any court or tribunal assuming jurisdiction in respect of the Carrier's responsibility, then, in such event, the following shall apply in addition to the Carrier's Terms and Conditions:
- 4.2 The Carrier shall not be responsible for any fault of his servants or the ship's crew if damage has occurred as a result of fire or explosion on board, or as a result of any act, neglect or default in the navigation or in the management of the ship other than predominantly carried out in the interest of the cargo.
- 4.3 The same shall apply in relation to any act, neglect or default of a pilot or any other independent person involved in the navigation or management of the ship

## **5. EXPORT- AND CROSS-TRADE BOOKINGS**

- 5.1 The MSC FINLAND OY Booking Confirmation formalizes the transport contract concluded between the Merchant and MSC, as a consequence of which both Booking Party and Shipper become jointly and severally contractual partners of MSC MEDITERRANEAN SHIPPING COMPANY S.A.
- 5.2 The Booking Party and Shipper are responsible for and have to recheck all information provided by MSC FINLAND OY in its booking confirmation concerning port of discharge, description of goods, hazardous cargoes, reefer and out of gauge details as well as for the correctness of weights indicated.
- 5.3 They must inform MSC or MSC FINLAND OY immediately in writing in case of any discrepancies or missing details. Any discrepancies or wrong information at the time of receipt of the goods, especially in respect of the cargo's weight, may lead to substantial risk and costs for account of the Merchant and might result in short-shipments. In particular, discrepancies may lead to Status Change costs as per quay / terminal tariff.
- 5.4 The Booking Party and Shipper have to check and ensure that the maximum payload complies with all country-specific legal regulations or requirements at origin, in the transit countries and at destination. They are expressly reminded that overstuffing of containers is not permitted by law and the Carrier and may result in severe injuries and casualties for which the Merchant will be held fully liable.

- 5.5 For security reasons all containers for all destinations must be sealed by the Booking Party and Shipper or their representatives with High Security Bolt Seal or equivalent directly after stuffing. MSC Sealing procedure is available upon request from MSC FINLAND OY. Unsealed and incorrectly sealed containers will be resealed upon arrival at the terminal at the Merchant's costs and responsibility and may be short-shipped. Any resulting costs are for account of the Merchant.
- 5.6 Loading and stowage of goods is carried out under sole instructions of the Ship's Command. All goods are stowed "option deck" at Merchant's risk. Requests for "under deck" stowage are subject to written approval and confirmation by MSC or MSC FINLAND.
- 5.7 Payments of Ocean Freight have to be effected in Euro only. Payments made in USD will only be accepted upon request and our written approval. Any Bank service charges/ transaction costs are for account of the payer.

- 5.12 Shipping documents will be issued immediately upon receipt of loading confirmation and kept at Merchant's disposition at the MSC FINLAND OY local office. Transfer and dispatch of documents (by regular mail, registered mail or courier) will only be effected upon receipt of the Merchant's order confirmation and at his sole risk and expense.
- 5.13 In case of Merchant's Haulage, the Booking Party and Shipper are responsible for inspecting the empty container for its suitability to carry the specific shipment booked at the time of empty pick up from the depot/terminal either directly or via their truckers. Any later refusal of container will cause additional costs for account of the Merchant and neither MSC nor MSC FINLAND OY shall be held liable for the costs of changing/replacing a container accepted during empty positioning unless the vice affecting the container was not detectable during a summary check; in which case the costs of the container changing shall be equally shared. Notwithstanding the above, a light-test is compulsory prior to each empty container's acceptance and no liability shall be borne by the Carrier or MSC FINLAND OY for costs of exchanging a container found with holes or cracks at a later stage.
- 5.14 Booking Party and Shipper are responsible for ensuring that all prior IMO (hazardous goods) placards and labels have been removed from the container before pick-up or latest during stuffing of its non-hazardous cargo. Costs resulting from neglect will be for the account of the Merchant.
- 5.15 The use of dry-van containers in lieu of reefer or temperature-controlled containers is left to the sole Merchant's appreciation and decision and the Carrier shall have no liability or responsibility whatsoever for thermal or condensation loss or damage to the goods sustained by reason of natural variations in atmospheric temperatures whether the cargo was carried on or under deck.
- 5.16 Container's full redelivery to the port prior to loading is only possible by stating the provided delivery reference to the Terminal Interchange and the Merchant and/or its trucker are jointly responsible to ensure proper communication during Gate-In.

- 5.17 The Booking Party, the Shipper and their trucker are jointly responsible to check that the empty container picked up at the depot is used for the booking confirmed by MSC FINLAND OY for this specific container. Neither MSC nor MSC FINLAND OY shall be responsible for any costs linked to the repatriation or additional on-carriage costs of wrongly swapped cargoes carried within correct containers due to a mistake during the empty pick-up.
