- 2.3 General Conditions of the Merchant will not be applicable and shall in any way be superseded by these AGENCY TERMS AND CONDITIONS and the terms and conditions of the MSC Bill of Lading and/or Sea Waybill. Deviations from these AGENCY TERMS AND CONDITIONS and in particular general conditions of the Merchant shall not apply unless this has been explicitly agreed in writing.

3. QUOTATIONS

- 3.1 **MSC SKOPJE acts as agent for and on behalf of MSC MEDITERRANEAN SHIPPING COMPANY S.A. (the "Carrier", "MSC") only. All quotations made by MSC Skopje are on behalf of the Carrier.**

- 3.2 Quotations made by MSC SKOPJE are not binding until MSC SKOPJE's final booking confirmation has been transmitted in writing to the Merchant. Any quotation will become null and void unless the Merchant has accepted it in writing within 7 days after receipt.
- 3.3 Quoted times and dates for empty positioning and loading are always subject to equipment availability and space. Advertised transit times, sailing and arrival dates are estimated times only; such schedules may be advanced, delayed or cancelled without notice. - 4.2 **The Carrier shall not be responsible for any fault of his servants or the ship's crew if damage has occurred as a result of fire or explosion on board, or as a result of any act, neglect or default in the navigation or in the management of the ship other than predominantly carried out in the interest of the cargo.**
- 4.3 The same shall apply in relation to any act, neglect or default of a pilot or any other independent person involved in the navigation or management of the ship.

5. EXPORT- AND CROSS-TRADE BOOKINGS

- 5.1 **The MSC SKOPJE Booking Confirmation formalizes the transport contract concluded between the Merchant and MSC, as a consequence of which both Booking Party and Shipper become jointly and severally contractual partners of MSC MEDITERRANEAN SHIPPING COMPANY S.A.**

- 5.2 The Booking Party and Shipper are responsible for and have to recheck all information provided concerning description of goods, hazardous cargoes, reefer and out of gauge details as well as for the correctness of weights indicated. They must inform MSC or MSC SKOPJE immediately in writing in case of any discrepancies or missing details. Any discrepancies or wrong information at the time of receipt of the goods, especially in respect of the cargo's weight, may lead to substantial risk and costs for account of the Merchant and might result in short-shipments. In particular, discrepancies may lead to Status Change costs as per quay / terminal tariff.
- 5.3 The Booking Party and Shipper have to check and ensure that the maximum payload complies with all country-specific legal regulations or requirements at origin, in the transit countries and at destination. They are expressly reminded that overstuffing of containers is not permitted by law and the Carrier and may result in severe injuries and casualties for which the Merchant will be held fully liable.
- 5.4 For security reasons all containers for all destinations must be sealed by the Booking Party and Shipper or their representatives with High Security Bolt Seal or equivalent directly after stuffing. Unsealed and incorrectly sealed containers will be resealed upon arrival at the terminal at Merchant's costs and responsibility and may be short-shipped. Any resulting costs are for account of the Merchant.

Any later refusal of container will cause additional costs for account of the Merchant and neither MSC nor MSC SKOPJE shall be held liable for the costs of changing/replacing a container accepted during empty positioning unless the vice affecting the container was not detectable during a summary check; in which case the costs of the container changing shall be

equally shared. Notwithstanding the above, a light-test is compulsory prior to each empty container's acceptance and no liability shall be borne by the Carrier or MSC SKOPJE for costs of exchanging a container found with holes or cracks at a later stage.

- 5.15 Container's full redelivery to the port prior to loading is only possible by stating the provided delivery reference to the Terminal Interchange and the Merchant and/or its trucker are jointly responsible to ensure proper communication during Gate-In.
