2.2 These Agency Terms and Conditions shall be deemed to form part of all contracts between the Merchant and MSC via its local agent MSC Mozambique. Orders and instructions of the Merchant shall be considered as his acknowledgement and acceptance of these Agency Terms and Conditions.

2.3 General Conditions of the Merchant will not be applicable and shall in any way be superseded by these Agency Terms and Conditions and the terms and conditions of the MSC Bill of Lading and/or Sea Waybill. Deviations from these Agency Terms and Conditions and in particular general conditions of the Merchant shall not apply unless this has been explicitly agreed in writing by MSC.

3. QUOTATIONS

3.1 MSC MOZAMBIQUE acts as agent for and on behalf of MSC MEDITERRANEAN SHIPPING COMPANY S.A. (the "Carrier", "MSC") only. All quotations made by MSC MOZAMBIQUE are on behalf of the Carrier.

3.2 Quotations made by MSC Mozambique are not binding until MSC Mozambique's final booking confirmation has been transmitted in writing to the Merchant. Unless the quotations specify a validity period and the Merchant have accepted it in writing, it will become null and void after 30 days of receipt.

3.3 Quoted times and dates for empty positioning and loading are always subject to equipment availability and space on board vessels. Advertised transit times, sailing and arrival dates are estimated times only; and such schedules may be advanced, delayed or cancelled without notice. In no event shall the carrier be liable for consequential damages or for any delay in scheduled departures or arrivals of any vessel or other conveyances used to transport the goods by sea or otherwise.

3.4 All charges are "VATOS" (Valid at Time of Shipment). Unforeseeable and additional expenses (such as statutory increase, war risk, congestion, etc.) before, during and after the sea-carriage may at any time be charged by the Carrier to the Merchant.

3.5 Alterations caused by the Merchant, for instance release of cargo to alternative third parties, issuance of switch bills of lading, etc., are not included in MSC Mozambique quotations.

3.6 Unless stated otherwise and expressly confirmed in writing, each quotation always relates to:

- Harmless goods, being made clear that IMDG cargoes are always and strictly subject to the Carrier and Master's final approval at time of loading.
- Cargo shipped and stowed with "deck option".
- In gauge cargo, if quoted for open top containers, flat racks and platforms.
- Cargo valued below USD 200.000,00 per container, if cargo value is not presented upon quotation request. For high-value-cargo-containers (exceeding USD 200.00,00 - two hundred thousand US dollar cargo value) the Merchant has to submit a written warning notice upon booking and, unless included in the freight, to pay an additional HVP (high-value-premium).

4. CARRIER'S RESPONSIBILITY IN MOZAMBIKAN JURISDICTION

4.1 The Merchant acknowledges and agrees that pursuant to clause 10.3 of the Carrier's Terms and Conditions, the transport contract is subject to English law and the exclusive jurisdiction of the High Court of London, save as otherwise stipulated in clause 10.3. Should nevertheless ever Mozambican law be applied by any court or tribunal assuming jurisdiction in respect of the Carrier's responsibility, then, in such event, the following shall apply in addition to the Carrier's Terms and Conditions:

4.2 The Carrier shall not be responsible for any fault of his servants or the ship's crew if damage has occurred as a result of fire or explosion on board, or as a result of any act, neglect or default in the navigation or in the management of the ship other than predominantly carried out in the interest of the cargo.

4.3 The same shall apply in relation to any act, neglect or default of a pilot or any other independent person involved in the navigation or management of the ship.

4.4 In the case of any dispute relating to freight or other sums due from the merchant to the carrier, the carrier may, at its sole option, bring suit against the merchant in the fora agreed above, or in the countries of the Port of Loading, Port of Discharge, Place of Delivery, or in any jurisdiction where the Merchant has a place of business.

5.3 The Booking Party and Shipper have to check and ensure that the maximum payload complies with all country-specific legal regulations or requirements at origin, during transit and at destination. They acknowledge that overweighed containers are not permitted by law and may result in severe injuries and casualties for which the Merchant will be held fully liable.

5.4 For security reasons all containers for all destinations must be sealed by the Booking Party and Shipper or its representatives with High Security Bolt Seal or equivalent, directly after stuffing. Any later refusal of container will cause additional costs for account of the Merchant. Neither MSC nor MSC Mozambique shall be held liable for the costs of changing/replacing a container accepted during empty positioning, unless the vice affecting the container was not detectable during a summary check; in which case the costs of the container changing shall be equally shared. Notwithstanding the above, a light-test is compulsory prior to each empty container's acceptance and no liability shall be borne by the Carrier or MSC Mozambique for costs of exchanging a container found with holes or cracks at a later stage.

5.11 The use of dry-van containers in lieu of reefer or temperature-controlled containers is left to the sole Merchant's appreciation and decision, and the Carrier shall have no liability or responsibility whatsoever for thermal or condensation loss or damage to the goods sustained by reason of natural variations of atmospheric temperatures whether the cargo was carried on or under deck.

5.12 The Booking Party, the Shipper and their trucker are jointly responsible to check that the empty container picked up at the depot, port and container terminal is used for the booking confirmed by MSC Mozambique for this specific container. The verification of actual container weight must be obtained on-shore, and provided to the vessel operator and the port terminal facility prior (to VGM cut off) to the vessel loading process. Neither MSC nor MSC Mozambique shall be responsible for any costs linked with the declaration of incorrect container weights.

The Carrier shall not be responsible for the consequences of the Goods being loaded at a higher temperature than that required for the carriage; nor to monitor and control humidity levels, even if a setting facility exists, and because humidity is influenced by many external factors the Carrier does not guarantee and is not responsible for the maintenance of any intended level of humidity inside any Container.

Should MSC be made aware, prior or during carriage, that its Containers have been used in breach of any of the above prohibitions, the container(s) concerned may be refused for loading, kept onboard for return to origin, discharged at the next convenient port and/or corrective measures such as, but not limited to, restuffing into other containers may be taken at MSC' sole discretion and at the Merchant's sole risks and expenses.
