

TRUST A MARKET LEADER FOR QUINOA TRANSPORTATION

MSC Mediterranean Shipping Company, a leader in global container shipping, has been operating in Bolivia for over 16 years. Thanks to our global port coverage and our expertise in agricultural product transportation, we have become the leading carrier of Quinoa in the country. We offer fast, reliable and sustainable services connecting Bolivia to the main quinoa markets. Our goal is to deliver a responsible service, meeting all the quality requirements of this organic product.

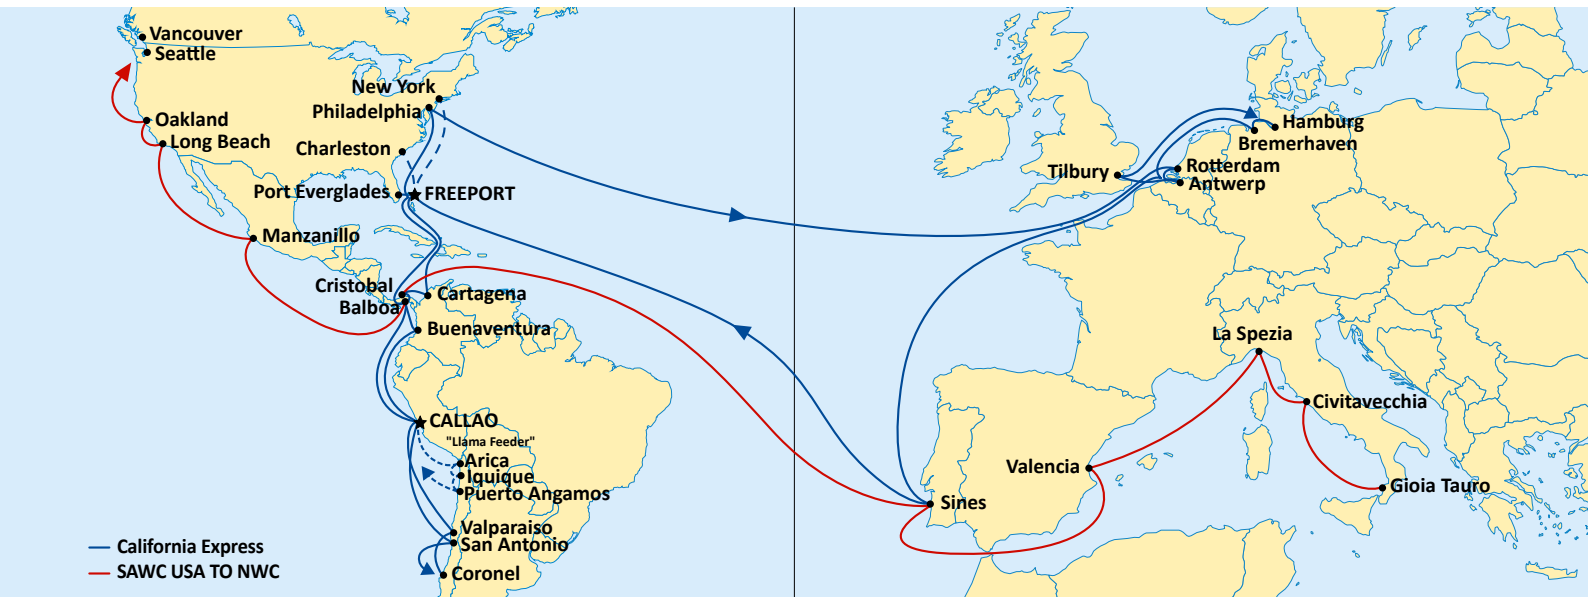

OUR STRENGTHS

- Regular service
- Space Availability (fleet over 4000 teus of capacity)
- Container availability in Bolivia (4 depots in the main cities in Bolivia)
- Extended vessel cut-off & late arrival service
- Strong know how and expertise
- Personalised customer
- Flexibility to meet market requirements

OUR SERVICE GOES BEYOND THE PORT

MSC offers a competitive pre-carriage service, offering intermodal solutions and competitive rates that fits with your cargo requirements. We have developed logistic procedures that offer a personalised coordination and a continuous cargo's follow up.

WHEREVER YOUR DESTINATION, WE WILL HANDLE IT FOR YOU

GLOBAL AND LOCAL EXPERTISE

MSC's Trade Managers each have an in-depth understanding of individual overseas markets and the dynamics of specific trades. This expertise enables them to provide you with market-specific, local advice on factors affecting the transit of your cargo.

This might include:

- Terminal conditions
- Local or overseas transport infrastructure
- Berthing delays or congestion
- Local or overseas regulatory and political changes
