

INTRA ASIA NETWORK

New Services: October 2019

- MSC is expanding its intra-Asia network with two new services, each focused on cargo being moved between key locations in Asia
- With the upgraded Intra Asia network, MSC is expected to create more excellent, reliable and efficient services in the Asia market for our valued customers
- From mid-October 2019, the Orchid service and Lang Co Express service will bring 6 vessels into the network, offering comprehensive port coverage and competitive transit times
